

CB1100 ECO

(White) Double Door
Vertical Display 1000lt

Premium Cooler with double doors opening all glass (tempered) to the bottom for a better display of the products!

The Cooler is designed and checked for tropical conditions (Type:

T-Tropical) with very low energy consumption, double condenser mechanism and energy certificate B (energy class)!!!! It also has a low depth and allows you to make it built-in and perfectly match the architecture of the space.

Contains: LEDs on the sides of the refrigerator and on the top, reinforced shelves (5+5), reinforced insulation & mechanism, front legs for better stability and placement of the refrigerator. Ideal refrigerator with reduced noise level for elegant spaces with special requirements!
